Dear Hugh, and all of you at the St Brigid's Third World Group

Report On £5000 Donation received by Sr Anne Patricia Flynn on 18 December 2017

Note: The exchange Rate at the on that date was R17.755 Rand per Pound Sterling, I received R88775. I shall report in Rands, as that is how I have recorded expenditure.

By 27 June 2018 I had distributed the donation for the purposes for which it was given.

1. **Education (R64 939)**

_As usual, the bulk of your donation was spent on helping parents of really needy (but highly motivated) students to pay for education. This costs sometimes included the buying of uniforms and text books.

The level s of education ranged from Primary school Level to Tertiary education. Students which you helped included students some from Zimbabwe , Malawi, and Congo as well as South Africa . One of the mature student completed a six month Home- based Nursing Care Course which stands her in good stead in the labour market.

2. **Transport (R15 376)**

Most of those we help do not have a school close enough for them to walk so transport to school can be an expensive item. Many need help with that.

3. **Food (R4 960)**

From our budget we were able to spend about R5000 on food in situations of dire need.

4. **Documents (R 3 500)**

We assisted a Congolese family to get legal document they required as Refugees. This amount includes their transport costs to Home Affairs department in Pretoria.

TOTAL EXPENDITURE: R88 775 (Equivalent to £5 000 as of 18 December 2017)

So I am very grateful to you for the generous contribution you have made to the lives of those I have been privileged to help on your behalf. On their behalf I say: May God bless you abundantly .

Sincerely in Christ

Sister Anne Patricia
