Dear Friends

Once again I am deeply grateful that through your generous donation of £5000 which I deposited in the bank on 11 November 2019 I was able assist people who were in dire need. At an exchange rate of ZAR 19.18 to the £. I was able to credit our dire need fund with R95,900. Thank you

Briefly, the SBTWG Funds were distributed as follows:

Food and Basic Accommodation:	R43 900
Documents/ travel for foreign nationals	R21 000
Assistance in setting up informal micro businesses	R16 000
Medical / dental needs	R15,000
TOTAL ACCOUNTED FOR	R95,900

Please accept my sincere thanks for your continued assistance. It is a very great privilege to help these needy people on your behalf. And in this year of the COVID -19 pandemic your generosity was more needed and appreciated than ever.

On behalf of these assisted people, I say a very sincere thank you, and if I may add, without sounding rude : ' NGOMSO!¹

Sincerely in Christ
